SOCIAL EVENTS OF THE WEEK

It was certainly a good messenger who brought the news to your house that Ayer's Sarsaparilla makes the blood "rich and red." This means so much to those who are thin, pale, feeble, weak, and nervous. After Ayer's Sarsaparilla has cured you, carry the glad message to a friend or neighbor.

Perhaps you suffer from the effects of a warm climate. Prolonged warm weather seriously impairs the strength of many people. The digestion is slow, and the liver becomes sluggish. Impurities in the blood accumulate and cause that feeling of drowsiness and depression.

AYER'S Sarsaparilla

It is of the greatest use in such cases. Its purifying, strengthening, and up-building properties will be of incalculable value to you.

As now made, Ayer's Sarsaparilla contains no alcohol?

There are many imitations of Sarsaparilla.

Be sure you get "AYER'S."

The Roman Catholic Cathedral was the scene of a very pretty wedding on Wednesday morning, when Miss Mary Quintal and Mr. William Andrade were joined together in holy matrimony according to the sacred rites of the Roman church by Father Stephen. The church was beautifully decorated with plants and art flowers, and the space not apart for the ceremony at the steps of the cathedral looked very pretty with Easter lilies and other white flowers. A few minutes after eight the bride on the arm of her father, preceded by two flower girls and Miss Andrade as maid of honor, walked up the main aisle to the foot of the chancel where they were met by the groom attended by W. H. McNeary as best man.

The two performances of "The Man of the Hour" which were given this week at the Opera House deserved a crowded house each time, as the play is without a doubt one of the best amateur productions that has ever been presented here.

Every one of the cast deserves the greatest credit and it is to be hoped that crowded houses will greet the company when they present the play next month during their week. Societies sent a number of their representatives each evening, but they did not begin to fill the house. Among those that noticed enjoying the play were: Judge and Mrs. Dole, Mr. and Mrs. Hatch, Mr. and Mrs. Weight, Mr. and Mrs. Arthur Wall, Dr. and Mrs. Arthur E. Wall, Mrs. Robert Lewars, Mrs. Angus, the Misses Angus, Mr. and Mrs. Schaefer, Dr. and Mrs. Scudler, Mr. and Mrs. Ivers, Mrs. Potter, Dea. James Foster, Miss Restarick, Miss Castle, Miss Roth, Miss Winter, Mr. and Mrs. Griffiths, Mr. and Mrs. Brainerd Smith, Mr. and Mrs. Percy Peters, Mr. and Mrs. Dougherty, Miss Robertson, Miss Robinson, Mr. and Mrs. Atherton, Dr. Cofer, Miss Walker, Mr. and Mrs. Focke, Mr. and Mrs. Atkinson, Mr. and Mrs. Phillips, Mr. and Mrs. Gay, Mrs. Schultze, Mrs. Tenney, Miss Giffard, Mrs. Arthur Wilder, Mr. and Mrs. Deering, Mr. and Mrs. Logan, Mrs. Henshall, Dr. and Mrs. Humphris, Mr. and Mrs. H. P. Wood and Miss Wood, Judge and Mrs. Weaver, Mrs. Noonan, Judge and Mrs. Ballou, Miss Roth, Mrs. Gardner Wilder, Mr. and Mrs. Minton, and others.

Honolulu society will no doubt be glad to learn that a number of the matrons and maids in the Navy Smart Set are going to leave San Francisco on the transport Thomas on July 6 and a number will stop over here before resuming their journey to the Orient.

Among the first of the Navy women to register for the Thomas, were Mrs. W. H. H. Southerland, Miss Southerland and Mrs. Mary Southerland. Mrs. Southerland is the wife of Captain Southerland, commander of the New Jersey. Mrs. Southerland and her handsome daughters were among the most fashionable of the Navy women at the Fairmont gayeties during the fleet jubilee, and no function was complete without them. They will stay a short time in Honolulu, and proceed to Manila to welcome the fleet when it sails in, spend a short time afterward with Captain Southerland, and when the New Jersey bids farewell to Manila, they will sail for Japan.

Mrs. George Burnett, wife of Colonel Burnett, United States Marine Corps, will travel with her three children, a trained nurse and a governess.

Mrs. A. W. Hinds, wife of Lieutenant Commander A. W. Hinds, of the Virginia, will be a passenger on the Thomas. It will be her first trip to the Orient.

Mrs. E. L. Bennett, wife of Lieutenant Bennett of the Virginia, will be a second feminine representative of one of the favorite ships of the fleet to sail on the Thomas.

Mrs. J. W. Robinson, wife of Lieutenant Robinson of the Kentucky; Mrs. P. Andrews, whose husband is a lieutenant aboard the Kansas; Mrs. J. K. Parker, wife of Lieutenant Parker; Mrs. George L. Smith, wife of Lieutenant Smith of the Connecticut; Mrs. F. Brooks Upham, whose husband is one of the New Jersey's lieutenants; Mrs. A. E. Sterling and Mrs. D. M. Addison, wife of the paymaster of the Virginia, are among the Navy women already registering to sail July 6th.

Great plans are being made among the smart set for the entertainment of the officers of the battleships Maine and Alabama next week and the cruiser St. Louis the week after. The gay round of pleasure will soon start, and something in the way of teas, receptions, luncheons, dinners and dances will be the order of events from now on, until late in the fall, as the Navy will contribute a number of their ships and officers to Honolulu this year besides the Atlantic fleet.

Quite a good sized audience greeted the presentation of Alice-Sit-By-the-Fire last Saturday evening at the Opera House by the Senior Class of the High School. The charming play was well acted by every one, but special praise is due Miss Ray Bell, Miss Lydia Wagner, Miss Florence Crozier and Callie Lucas for the way they played their parts.

Members of the Diamond Head Athletic Club were the hosts at a brilliant dance last Saturday night at the Young Hotel in honor of their third year as an athletic organization. Invitations to the number of several hundred had been sent out to their many friends and nearly every one invited was present for a little while at least. Among those invited were: Mr. and Mrs. F. B. Bruns, Dickson, Malcolma, Walker, Crook, Chillingworth, Brewster, Bruns, Fuller, Doyle and Campbell.

One of the most enjoyable dances of the season was given on Wednesday evening in the makai pavilion of the Young Hotel by a number of the younger men in the smart set.

The young maidens were chaperoned by Mr. and Mrs. W. L. Whitney, and Mr. and Mrs. C. H. Olsen. Dancing was enjoyed until after one o'clock and every one present voiced the evening a great success. A delicious punch and other light refreshments were served during the evening. Ernest Kaala's quintet boys furnished the music for the evening. The barn dance, which is becoming such a rage, was thoroughly enjoyed, although it is not graceful to say the least. Those that were present were: Misses Ethel Spading, Grace Webster, Irene Fisher, Marion Waterhouse, Anna Tucker, Sadie Towle, Juliette Perrin, Violet Damon, Ray Bell, Constance Restarick, Bella McCarriston, Blanche Soyler, Alice Macfarlane, Eleanor Waterhouse, Cordie Carden, Florence and Serina Bland and Sarah Lucas, and Messrs. News was received from Newport, Oregon, in the last mail from the coast, announcing the marriage of E. P. Irwin and Miss Allee Moor.

The engagement of Miss Alice B. Carpenter of Oberlin, Ohio, to E. W. Sutton has been announced. Mr. Sutton will leave for the coast in the near future and the wedding will take place some time in August. After their honeymoon on the mainland the couple will return here.

This has been a busy week at Haleiwa Hotel, especially on the 11th of June. Mr. and Mrs. Jas. A. Kennedy organized an auto party for a round-the-island-trip, which is becoming very popular. Twenty-seven were in their party, which took seven machines. The party reached Haleiwa Hotel at 2 P. M. A very pretty dinner table was set for them. The returned to Honolulu 9 p. m. The total guests were about 80 at the Hotel on the holiday. The party was as follows: Mr. and Mrs. Jas. A. Kennedy, Mr. and Mrs. Fred J. Lowrey, Mr. and Mrs. Geo. F. Society, which is always looking for something new to amuse it, has decided that the barn dance is the thing of the hour, but after one has seen it once an Indian dance or a hula is preferred as a thousand per cent more graceful. I saw some of the younger set attempting the dance the other night, but they have evidently not learned the way to dance it properly. Some of the young maidens with a good deal of practice might be able to trip around with a certain degree of gracefulness, but it will take time and patience before they have it perfected.

Auto trips to Haleiwa in the afternoon, dinner at the hotel and return by moonlight have been quite the thing this past week, and hardly a night has passed that quite a number have not taken advantage of the cool weather and beautiful moonlight to make the trip. A large number are going down tonight I understand for the first of the monthly dances at the popular hostelry.

The Manchuia which is due to arrive early Monday morning will have a number of the younger set on board who are returning from schools and colleges on the mainland. A good many swimming and dancing parties will be in order from now on, as the younger set do manage to enjoy themselves during their vacation.

D. P. R. Isenberg entertained at luncheon for about thirty of his friends at his Waiata home on Thursday. It being his natal day, Kaala's quintet boys were there during the entire day, and every one had a good time. Paul is one of the most popular hosts in town and every one has a good time at any thing he gives.

Those present besides the host and hostess were Mr. and Mrs. Rodiek, Mr. and Mrs. Focke, Miss Walker, Miss Cordella Walker, Alexander Walker, Captain and Mrs. Fuller, George Fuller, Acting-Governor Mott-Smith and Mrs. Mott-Smith, Miss Paty, Mr. and Mrs. Kirney, Mr. and Mrs. C. M. Cooke, Jr., Mr. and Mrs. Bode, Mr. and Mrs. E. A. Ross, Miss Lorna Iauken, Mr. and Mrs. Gray, Mrs. Scott, Mrs. Wilcox, Captain Gregory, Mr. McBride and Mr. C. M. V. Forster.

Big Dick Renter will do the twirling for his team and either St. John or Bill Chillingworth will be in the box for the Heads.

SUPERVISORS IN SESSION

CUMMINS IS CONFIRMED AS ROAD SUPERVISOR—ALL MONEY PROPOSALS VOTED DOWN

The County Fathers met last night at the usual time and place, all the members being present, as it was necessary to confirm Thos. P. Cummins' appointment as Road Supervisor. His appointment was passed unanimously.

The financial depression which is unknown generally here in town seems to have taken hold of the Supervisors, as every request asked last night, where money was needed, was turned down. Captain Rees asked that the streets near the naval station be closed before the arrival of the fleet but the board could not see it that way.

The request of Captain Otwell and the manager of Honolulu Plantation for a better road to Pearl Harbor was not considered.

The request for an increase in the band during the stay of the fleet was voted down, Ilustace remarking that there was no money for such luxuries.

The Salvation Army's request for money was also decided in the negative.

A number of petitions from tax payers and voters were referred to the proper committees which virtually means nothing doing.

A number of accounts and payrolls were passed, after which the meeting adjourned until noon of June 18.
